

## Finding internship reports

International Space University Library keeps a copy of the MSS students' internship reports. Reports are available in paper format only until 2007; then in pdf format only since 2008.

**1995-2014** - All reports, except the ones which are confidential, are available.

**Since 2015 and onwards** - All reports, except the ones which are confidential and except the ones which have received a grade minus B, are available.

### **Internship reports from 1995 until 2007**

Until year 2007, the internship reports were printed and bounded. They are stored in the Library and can be borrowed. They are not available in pdf.

### **Internship reports since 2008**

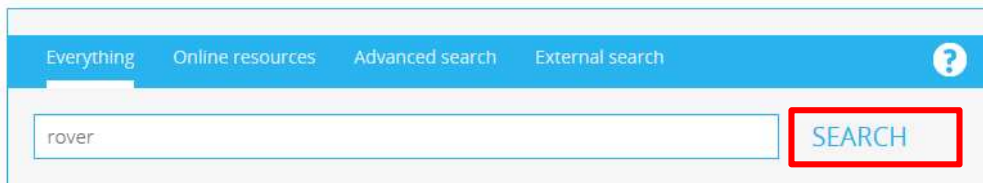

Since year 2008, the internship reports are available in pdf only and downloadable via the Library online catalogue.

### **Important note**

To access Internship reports, you will have to use your ISU network ID to be granted access.

# Method 1 – Simple search

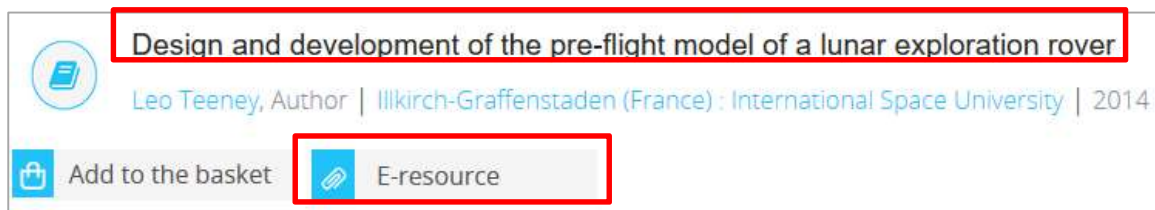

1. Go to the Library website at <https://isulibrary.isunet.edu/opac>
2. Run a simple search

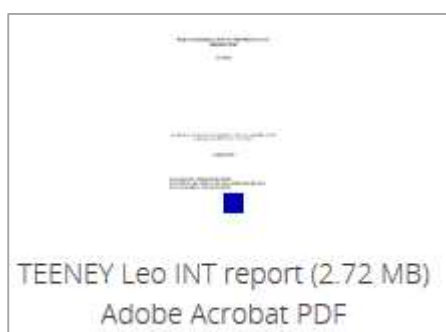

3. Filter your search by Material Type, scroll down and select Filter

4. You may display the entire record by clicking on the title or directly click on E-resource

5. Click on the file in **Read online** to open the pdf file of the internship report  
Enter your ISU network ID when prompted to do so.

# Method 2 - Advanced search

1. **Run an advanced search** to search specifically for an internship report.

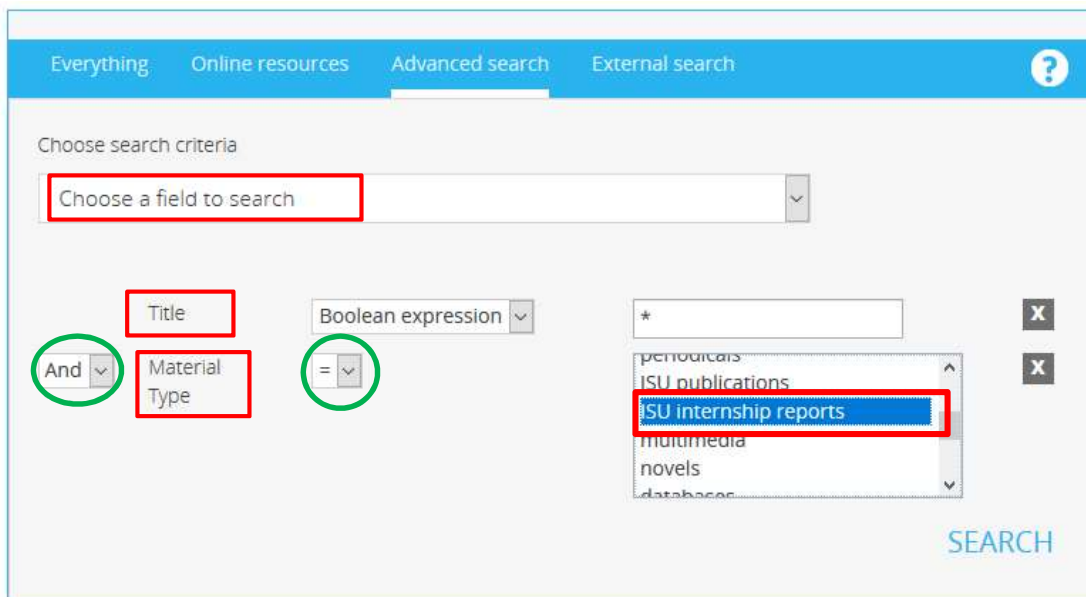

2. **Select fields to search**

Choose a field to search by displaying the list and select:

In the **Main** menu, select **Title** (to search for keywords in the title). Here, using the sign \* will search ALL titles.

In the **Types** menu, select **Material type**. Scroll down and select **ISU internship reports**.

Click SEARCH

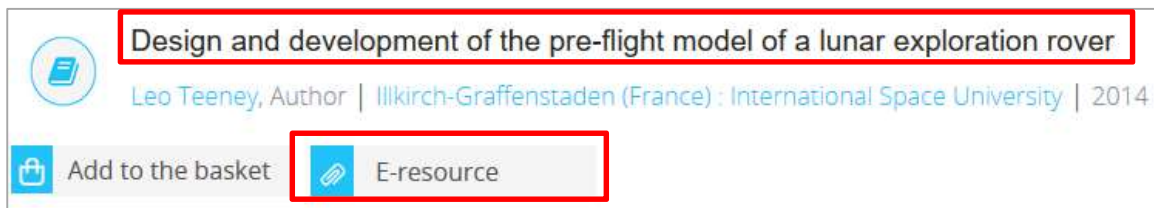

3. **Filter your search results** by author and/or by year, when needed.

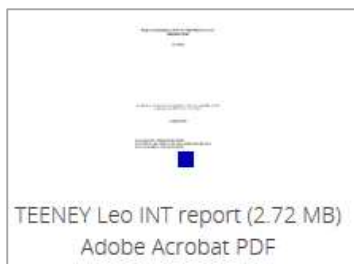

The screenshot shows a search interface with two filter sections: 'Authors' and 'Publication Date'. The 'Authors' section lists several names with checkboxes, including Abdullah, Ghazi-Zauher, Abdullahi, Abraha, and Abraham. The 'Publication Date' section lists years from 2012 to 2016, with 2016 selected. Below the filters are two buttons: 'Compare' and 'Filter', with the 'Filter' button highlighted by a red box.

4. You may **display** the entire record by clicking on the title or directly click on **E-resource**

The screenshot shows a search record for 'Design and development of the pre-flight model of a lunar exploration rover' by Leo Teeney. The title is highlighted with a red box. Below the title, the author and affiliation are listed: 'Leo Teeney, Author | Illkirch-Graffenstaden (France) : International Space University | 2014'. At the bottom, there are two buttons: 'Add to the basket' and 'E-resource', with the 'E-resource' button highlighted by a red box.

5. Click on the document in Copies online to **open the pdf** file of the internship report. Enter your ISU network ID when prompted to do so.

The screenshot shows a PDF document preview. The title of the document is 'TEENEY Leo INT report (2.72 MB)' and it is identified as an 'Adobe Acrobat PDF' file. The preview area shows a small blue square, likely representing the document's content.

# Method 3 - Browse internship reports by MSS class

1. In the top menu, in **RESOURCES**, select **Student Projects**

2. Scroll down to **INTERNSHIP REPORTS**. Here the internship reports are listed by MSS graduation year. Select the class you are interested in to get a list of available reports. Enter your ISU network ID when prompted to do so.

#### **INTERNSHIP REPORTS**

Reports are available in paper format until 2007; then, since 2008 only in pdf format. Since MSS15, only selected reports are available in the Library online catalog.

All reports, except the ones which are confidential, are searchable via the Library online. Access to internship reports is restricted to the University registered students and staff.
